Sidewalk, Pedestrian Ramp Closures in Geneva

CHICAGO – The Illinois Department of Transportation (IDOT) announced that various sidewalk and pedestrian ramp closures will take place along Lincoln Highway (Illinois 38), in Geneva, for a pedestrian ramp improvement project, beginning, weather permitting, Monday, September 12.

The closures are part of a larger project to reconstruct existing sidewalk pedestrian ramps to make them compliant with the Americans with Disabilities Act requirements in Cook, DuPage and Kane counties. Temporary lane closures also will be necessary adjacent to sidewalk ramps while work is in progress.

From Monday, September 12 to Friday, October 14, the following closures will take place at sidewalk corners and sidewalk ramps at the following locations along Lincoln Highway:

- | | |
|-----------------------|--------------------------|
| - Bradbury Lane | - Lincoln Avenue |
| - Williamsburg Avenue | - McKinley Avenue |
| - West Lane | - Anderson Boulevard |
| - West Street | - 8 th Street |
| - Willow Lane | - Richards Street |
| - Syril Drive | - 7 th Street |
| - Maple Lane | - 6 th Street |
| - Pine Street | - 5 th Street |
| - Charles Street | - 4 th Street |
| - Grant Avenue | |

Pedestrians should follow sidewalk closure signs. Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
